Technical drawing of a bent pipe assembly. The drawing shows a pipe with a horizontal section on the left, a vertical section in the middle, and a horizontal section on the right. The dimensions are as follows:

- Overall horizontal length: 22.80"
- Horizontal section on the left: 17.49"
- Vertical section height: 6.51"
- Horizontal section on the right: 18.79"
- Overall horizontal length (including the right section): 24.00"
- Horizontal distance from the left end to the start of the vertical section: 9.00"
- Horizontal distance from the end of the vertical section to the right end: 5.21"
- Horizontal distance from the end of the vertical section to the center of the right-hand bend: 1.38"
- Horizontal distance from the center of the right-hand bend to the right end: 1.03"
- Horizontal distance from the center of the right-hand bend to the center of the left-hand bend: 6X R0.75"
- Horizontal distance from the center of the left-hand bend to the left end: 0.28" TYP.

Callouts:

- SEE FIG-11 (pointing to the left-hand bend)
- SEE FIG-12 (pointing to the right-hand bend)
